**Let it shine, let it shine, let it shine.**

### ***Chorus:***

Hide it under bushel, no!, I'm going to let it shine.

Shine my light across the land.

I'm going to let it shine.

Let it shine, let it shine, let it shine!

### ***Chorus:***

## **You Are My Sunshine**

You are my sunshine, my only sunshine

You make me happy when skies are gray

You'll never know, dear, how much I love you

Please don't take my sunshine away

The other night, dear, as I lay sleeping

I dreamed I held you in my arms

But when I awoke, dear, I was mistaken

And I hung my head and cried

I'll always love you and make you happy

If you will only say the same

But if you leave me to love another

You'll regret it all some day

You told me once, dear, you really loved me

And no one else could come between

But now you've left me and love another

You have shattered all my dreams

## **Let There Be Peace on Earth**

Let there be peace on earth

and let it begin with me;

the peace that was meant to be

With God our creator, children all are we

Let us walk with each other in perfect harmony.

Let peace begin with me, let this be the moment now.

With every step I take, may this be my solemn vow:

To take each moment and live each moment

in peace eternally.

Let there be peace on earth, and let it begin with me.

*Blowing in the Wind, by Bob Dylan*

How many roads must a man walk down  
Before you call him a man?  
How many seas must a white dove sail  
Before she sleeps in the sand?

Yes, and how many times must the cannonballs fly  
Before they're forever banned?

***Chorus: The answer, my friend, is blowin' in  
the wind ,The answer is blowin' in the wind***

Yes, and how many years must a mountain  
exist Before it is washed to the sea?  
Yes, and how many years  
can some people exist  
Before they're allowed to be free?

Yes, and how many times can a man turn his  
**head and pretend that he just doesn't see?**

***The answer, my friend, is blowin' in the wind  
The answer is blowin' in the wind***

**Yes, and how many times must a man look  
up Before he can see the sky?  
Yes, and how many ears must one man have  
Before he can hear people cry?**

**Yes, and how many deaths will it take 'til he  
knows That too many people have died?**

***The answer, my friend, is blowin' in the wind  
The answer is blowin' in the wind***

***This Land is Your Land , by Woody Guthrie***

***Chorus:***

**This land is your land and this land is my land  
From the California to the New York island  
From redwood forests to the Gulf Stream waters  
This land was made for you and me**

**As I went a-walkin' that ribbon of highway  
I saw above me that endless skyway  
Saw below me that golden valley  
This land was made for you and me**

***Chorus***

**I roamed and rambled and I followed my footsteps  
To the sparkling sands of her diamond deserts  
All around me a voice was sounding  
This land was made for you and me**

***Chorus***

**When the sun comes shining, then I was strolling  
And the wheat fields waving & dust clouds rolling  
The voice was chanting as the fog was lifting  
This land was made for you and me**

***Chorus (2x)***

**Get by With A Little Help From My Friends  
by the Beatles**

... What would you think if I sang out of tune?  
Would you stand up and walk out on me?  
Lend me your ears and I'll sing you a song  
And I'll try not to sing out of key

**Chorus:**

*... Oh, I get by with a little help from my friends  
Mm, I get high with a little help from my friends  
Mm, gonna try with a little help from my friends*

... What do I do when my love is away?  
Does it worry you to be alone?  
How do I feel by the end of the day?  
Are you sad because you're on your own?

**Chorus:**

**Bridge:**

... Do you need anybody?  
I need somebody to love  
Could it be anybody?  
I want somebody to love

... Would you believe in a love at first sight?  
Yes, I'm certain that it happens all the time  
What do you see when you turn out the light?  
I can't tell you, but I know it's mine

**Chorus:**

... Oh, I get by with a little help from my friends  
Mm, gonna try with a little help from my friends  
Oh, I get high with a little help from my friends  
Yes, I get by with a little help from my friends  
With a little help from my friends

**Bridge:**

... Do you need anybody?  
I need somebody to love  
Could it be anybody?  
I want somebody to love

**Chorus:**

**Let's Get Together, by the Youngbloods**

Love is but a song we sing  
Fear's the way we die  
You can make the mountains ring  
Or make the angels cry  
Though the bird is on the wing  
And you may not know why

**Chorus:**

*Come on people now  
Smile on each other  
Everybody get together  
Try to love one another right now*

Some may come and some may go  
We will surely pass  
When the one that left us here  
Returns for us at last  
We are but a moment's sunlight  
Fading in the grass

**Chorus:**

Come on people now  
Smile on each other  
Everybody get together  
Try to love one another  
Right now

**Chorus**

If you hear the song I sing  
You will understand...listen  
You hold the key to LOVE & FEAR  
All in your trembling hand  
Just one key unlocks them both,  
It's there at your command.

**Chorus: 3x**

*All You Fascists Bound To Lose,  
by Woody Guthrie*

I'm gonna tell all you fascists  
you may be surprised  
The people in this world  
are getting organized  
You're bound to lose,  
you fascists bound to lose

***Chorus:***

*All of you fascists bound to lose  
You fascists bound to lose  
All of you fascists bound to lose  
You fascists bound to lose  
You're bound to lose! you fascists!  
Bound to lose*

People of every nation marching side by side  
Marching across these fields  
where a million fascists died  
You're bound to lose, you fascists bound to lose

***Chorus:***

*All of you fascists bound to lose  
You fascists bound to lose  
All of you fascists bound to lose  
You fascists bound to lose  
You're bound to lose! you fascists!  
Bound to lose*

*It Aint Gonna Go Away, by Cathy Fink  
(the Epstein Files)*

***Chorus:***

*It ain't gonna go away, It ain't gonna go away,  
Those Epstein files gonna bite your butt  
but it rain't gonna go away*

You're in good company in that book  
In a sleazy kind of way  
But you don't want us to have a look on a  
presidential day.

***Chorus:***

You can fire more people, you can try to distract  
But it ain't gonna work this time  
There's lots of pages you'd like to redact  
while you're slipping with the slime

***Chorus:***

You can go to Scotland, you can go play  
golf] You can go to war today  
You can point your finger at everyone else but It  
aint gonna go away

***Chorus:***

*We won't stop singing till we see those names  
in a book we want to read.  
The victims all deserve that,  
till we root out each bad seed...*

***Chorus:***

***God Bless America***  
***by, Irving Berlin***

***(Sing through twice)***

God Bless America,  
Land that I love.  
Stand beside her, and guide her  
Thru the night with a light from above.  
From the mountains, to the prairies,  
To the oceans, white with foam  
God bless America, My home sweet home.
